Welcome to Auburn Primary School

Auburn Primary School is a boutique school in the Mid North township of Auburn.

We offer three classes in a supportive school environment with a focus on intense literacy and numeracy blocks each day across the school. The results of the students in national numeracy and literacy testing demonstrate the high calibre of learning available in the school.

Our school values are centred around **FRESH**, that is **Fairness, Respect, Excellence, Safety** and **Happiness**.

This year we are focussing on:

- **Building a Community of Writers**
- **Building a Culture of Collaborative Problem Solvers**
- **Creating a Culture Celebrating High Attendance**

Kitchen Garden Program

Auburn Primary School also offers specialist lessons in cooking and gardening as part of the Stephanie Alexander Kitchen Garden Program with a qualified chef.

Our Community

The old saying that it takes a village to raise a child is certainly true at Auburn Primary. We are fortunate to have a raft of school and community volunteers to support both the kitchen and garden lessons. We are always looking for more volunteers.

Being a volunteer is a simple thing and does not take long but it is worth so much more to our students and the effect ripples out into our community. Our students experience community service being demonstrated which is a value they will take with them when they leave our school.
